MINUTES

Town of Pagosa Springs Sanitation General Improvement
District Special Meeting
June 17, 2025 @ 5:30 PM

A special meeting of the Town of Pagosa Springs Sanitation General Improvement District was called to order on June 17, 2025, at 5:30 PM in the Town Hall 551 Hot Springs Blvd.

BOARD PRESENT: Mayor Pierce, Council Member Bergon, Council Member deGraaf, Council Member Lindner, Council Member Williams, and Council Member Martinez

BOARD ABSENT: Council Member DeGuisse

I. CALL MEETING TO ORDER

II. ROLL CALL

III. DISCLOSURES AND/OR CONFLICT OF INTEREST – None

IV. NEW BUSINESS

1. Update on Conveyance System

Public Works Director, Karl Johnson, provided an update on the pump breakdown at PS2 in TimberRidge. In April, a lightning strike took out one pump train, the wet and dry pumps. This caused the other train to work too hard and has now failed. Staff was able to locate a crane truck in Bayfield, as the local trucks were not available to commit, to move one of the wet well pumps to PS2 to replace the failing pump. The Sanitation Supervisor is heading to Texas to purchase a crane truck and a pump to assist with getting the pumps moving the effluent up the hill.

Board Member Bergon said there needs to be more communication with the community regarding the critical issue of the pumps. She said the hotels and motels need to be contacted to ask for their support in this emergency. Town Manager Harris said the Town's communication manager blasted the information on social media, subscribers to the view, and those signed up on Xpress Billpay. Public Works Director Johnson said he would like to contact CDPHE and start the conversation to look at a new wastewater treatment plant at South Yamaguchi Park.

V. ADJOURNMENT – Board President Pierce adjourned the meeting at 7:27 pm.
