## **I. OVERVIEW**

- 1. The Heritage & Culture Committee continues advancing projects focused on preserving and sharing local history in ways that are public-facing, engaging, and connected to Pagosa Springs' sense of place. Several projects are underway, but the priority for this work session is to determine a clear and manageable path forward for *Color Pagosa's Past* while continuing momentum on the History Hunt and follow-up from Into the Vault.**

## **II. PROJECTS**

**1.**

**1. Into the Vault Follow-Up**

**Review event response and social media interest, and discuss a follow-up storytelling campaign featuring selected stories and contents while preserving opportunities for continued public guessing and engagement.**

**2. Downtown History Hunt / Time Trail**

**Review project status and completed content/photos. Determine whether detailed committee review should occur by email so meeting time can remain focused on the coloring book.**

**3. Color Pagosa's Past**

**Review current status, previous contributor approach, remaining gaps, and two additional coloring-book examples. Revisit the committee's previous direction to ask existing contributors to take additional pages, consider use of the expanded artist network, and discuss whether commissioning a single illustrator should be evaluated as a practical completion strategy.**

**4. Other Heritage Projects, Time Permitting**

**Brief updates only as needed.**
